

# AGENT NEWSLETTER MAY 2021

## FOCUS OF THE MONTH

Experience the British Isles from a new perspective with our 7 voyages exclusively visiting UK ports from 22nd June 2021. These voyages give guests the opportunity to experience Golden Horizon, and the best of British coastal towns, whilst not leaving the country – perfect for a “Staycation at Sea”. Following the UK Voyages, we have our Norwegian Fjord Adventure and Beautiful Denmark voyages, both sailing from and returning to Harwich Port.

We're pleased to advise we are also offering a complimentary coach back from Leith on 5th July back to Harwich and for those guests who wish to do the first two voyages as a back to back, we will also offer them a coach back from Greenock to Harwich on 15th July. This is combinable with our free parking that we offer on all Harwich departures! For those guests wishing to park at Greenock for our 15th July or 21st July departures, they can book their car in here:
